Wabanaki Nations

To: Sen. Carney, Rep. Moonen, and Members of the Joint Standing Committee on
Judiciary From: (YOUR NAME, PHYSICAL ADDRESS, ORGANIZATIONAL
AFFILIATION IF RELEVANT)

Intro:

Dear Senator Carney, Representative Moonen, and members of the Judiciary
Committee, my name is Satya Kaur Khalsa and I live in Franklin, Hancock county. I
am a health care consultant. I am writing to testify in support of LD 2007.

Testimony:

I stand 100% with the Wabanaki in support of their self-determination.
All beings require this for the world we all want to live in.
It is time to restore all that was taken away from them.

Closing:

Thank you for your recognition that self-determination is a human right and your
action in passing this bill.

[Thank the committee members and succinctly summarize your take-home message.]
