

Sabina Kapothanasis
Portland
LD 2007

Dear Senator Carney, Representative Moonen, and members of the Judiciary Committee, my name is Sabina Kapothanasis and I live in Portland. I am an artist and professional gardener. I am writing to testify in support of LD 2007. As a plant tender, I recognize that Maine's Wabanaki folks have been tenders and protectors of our beautiful landscape for centuries, and it is absolutely necessary that Maine act in protection of their community. When we hear what Wabanaki Nation needs, it is our job to act in protection of those needs. Thank you for recognizing Wabanaki Nations' right to self determination, and thank you for your time.
