

Grace Carrier
Blue Hill
LD 2007

Hello,

My name is Grace Carrier. I am a resident of Blue Hill, Maine. I am writing to express my support of LD 2007, and my hope that it passes. The Wabanaki were the first stewards of the beautiful land we all call home. To empower the Wabanaki is to honor this history, and honor nature. The Wabanaki have been instrumental in sustainable ecological practices and will continue to do so. As an individual who is deeply concerned with the state of our society's environmental relations, I believe LD 2007 will help us all transform our destructive practices towards the more than human world. My modernizing MICSA, the Wabanaki Nations will have more opportunities to grow and support their peoples - their families, their children.

Sincerely,
Grace Carrier
