**Re:** Support for LD 2007, An Act to Advance Self-determination for Wabanaki Nations

Sen. Carney, Rep. Moonen and members of the Judiciary Committee, my name is Zoe Mason and I live in South China. I would like to testify in support of LD 2007 because I believe the tribes have a right to self-governance and tribal sovereignty. As a farmer who upholds the value of land access and land stewardship, I hope that we can do the right thing as a state and support our tribal neighbors. Thanks for your consideration.
