LD 2007

Hello,

I would like to urge law makers to please approve LD 2007. It is wrong that the Wabanaki nations do not enjoy the full sovereignty and rights of the 570 other tribal nations in the US. It is embarrassing to be from the only state that does not even grant the tribes whose land we stole full federal protections. I support this bill because it is the right thing to do. The Wabanaki deserve full legal rights, they deserve the opportunity to grow economically, and we as settlers cannot claim to be interested in reconciliation and healing while denying the indigenous population it's rights, it's sovereignty, and it's land.

Thank you,
