Lauren McKnight
Topsham, Maine
LD 2007 Testimony

Senator Carney, Representative Moonen, and Members of the Judiciary Committee,
I'm Lauren McKnight, I live in Topsham, Maine, and I urge you to vote Ought to Pass
on LD 2007.

Being a new citizen of Maine I am surprised that the Wabanaki Nations have been
denied the same rights of as every other federally recognized tribe in the United
States! As the original inhabitants of the land we live on, I find it outrageous that the
Wabanaki have to fight for these rights! Let's be fair! Let's be equitable! Come on
Maine, let's do the right thing!
