LD 2007

Testimony in support of LD 2007, An Act to Advance Self-determination for
Wabanaki Nations

To: Sen. Carney, Rep. Moonen, and Members of the Joint Standing Committee on
Judiciary From: John Greenman, 65 Meadow Brook Ln., Orland, ME 04472

Intro:

Dear Senator Carney, Representative Moonen, and members of the Judiciary
Committee, my name is John Greenman and I live in Orland. I am a retired Public TV
producer of public affairs programming. I am writing to testify in support of LD 2007.

Testimony:

It's time to do the RIGHT thing!

In my years of reporting on and observing the way governments treat Maine's First
Citizens, I've been struck by the sincere efforts to bring justice to the Wabanaki
cause. I've also been disappointed in the efforts to make the issue go away without
resolution.

Closing:

Please acknowledge the justice to the Wabanaki People that LD 2007 brings, by
voting for it.

Thank you!!
