

Zoe Hull
Westbrook
LD 2007

Dear Senator Carney, Representative Moonen, and distinguished members of the Joint Standing Committee on Judiciary, my name is Zoe Hull and I live in Westbrook. I am a public health professional with a passion for health equity. In my work I have had the opportunity to work with the Wabanaki Nations, specifically related to youth development and sexual assault response. In my work it is abundantly clear that in order to achieve health equity in our state, the Wabanaki Nations must have their rights of self-determination restored. Health equity cannot exist while we uphold systems of oppression. I am writing in support of LD 2007.

Thank you for your consideration of my testimony.
