Wabanaki Nations

To: Sen. Carney, Rep. Moonen, and Members of the Joint Standing Committee on  
Judiciary From: Regina Snyder, 477 Harpswell Is Rd, Harpswell ME

Dear Senator Carney, Representative Moonen, and members of the Judiciary  
Committee, my name is Regina Snyder and I live in Harpswell. I am a retired  
environmental professional who enjoys health benefits of the outdoors and  
recreational opportunities here in Maine. I am writing to testify in support of LD  
2007.

Having traveled the country and seen the beautiful territories , buildings and visitor  
centers where Tribal Nations have sovereignty, I am in favor of the provisions  
granting Tribes in Maine the same rights as the rest of the country.

I thank the committee members for providing full rights to the tribes in Maine.
