

Paul STANCIOFF  
Camden  
LD 2007

My name is Paul Stancioff. I am a registered voter in Camden Maine.

Please support LD 2007. This bill is the result of long and earnest deliberations by the mandated legislative task force to amend the 1970s settlement acts. The bill will afford Maine tribes the rights and benefits available from the federal government that are available to 570 other federally recognized tribes.

Thank you.
