

Will Green
New Brackett Church
LD 2007

Dear Senator Carney, Representative Moonen, and members of the Judiciary Committee, my name is Will Green and I live on Peaks Island, where I am the pastor of New Brackett Church, a community church that serves our small island community. I am writing to testify in support of LD 2007.

As a spiritual leader, I know that many people on our island are passionately concerned about the well-being of Wabanaki people. We believe in the inherent worth and dignity of every person. The state of Maine's failure to recognize the rights and authority of all four Wabanaki Nations is an affront to our belief.

When we gather on Sunday morning for worship and share our prayers, residents of Peaks Island consistently ask for prayer and action to support our Wabanaki neighbors. Passage of LD 2007 would quite literally be answered prayer. We will continue to pray, to act, to organize, and to care. But with this piece of legislation, you have the chance to act now. Please heed our prayer and support passage of LD 2007. Thank you for reading this testimony and taking the spiritual yearning of our community seriously.
