

Emily Abrecht
Freeport
LD 2007

Senator Carney, Representative Moonen, and Members of the Judiciary Committee,
I am Emily Abrecht, I live in the town of Freeport, and I urge you to vote Ought to
Pass on LD 2007.

The reason I urge you to vote Ought to Pass on LD 2007 is because the Wabanaki
Nations deserve to be treated like other federally recognized tribes across the country.
As the original people of this land, The Wabanaki people deserve the right to
determine their communities' futures.

In addition to the basic respect that passing this bill would provide the Wabanaki
Nations, it would benefit the entire population of Maine, as the Wabanaki people are
know to be exceptional stewards of the land and natural resources. Securing the
Wabanaki Nations' future would protect the environment for all.

Please vote Ought to Pass on LD 2007. Thank you.
