

Erich Baumann
Animal emergency clinic of mid maine
LD 2174

My name is dr. Erich baumann and i am the chief of staff at the animal emergency clinic of mid maine. We are an after hours emergency clinic so evrything we see is sick or injured. I can honestly say that care credit has helped us save thousands of animals in my 23 years at this clinic. Care credit's information is very straight forward about the interest rate if not paid in full by the end of the interest free period. Without this option many more patients will face euthanasia that could have been saved. Thank you
