LD 2235

I'm writing in opposition to LD 2235, Resolve, Directing the Department of Administrative and Financial Services, the State Court Administrator and the Executive Director of the Legislative Council to Add a 3rd Option for Gender on State Forms.

It is a scientific fact that there are only two genders, male and female, xy and xx chromosomes. Please stop this nonsense, believe the science and support the truth.

I urge this committee to vote "Ought Not To Pass" on LD 2235.
