LD 40

Hello Senator Hickman, Representative Supica, & members of the Committee, My name is Shea Donovan and I support LD 40. The cannabis industry should be treated same as any other industry in the state. Knowing that cannabis is one of Maines most valuable crop, We should be helping to bosting and build the industry by support it with fair policy. Having unclear language in cannabis law is unfair and propetuates the stigma that still exsits within the industry. Furthermore, the legislative text emphasizes a special concern for the survival and prosperity of small cannabis family farms and businesses, particularly in rural areas, which is very important for the state of Maine. Thank you for your time and for considering voting yes on LD 40. Best,
Shea Donovan
