GARLAND, MAINE 04939  
LD 332

LD332 SPO153 Presented by Sen. Hickman Democrat from Kennebec. Linda Haskell Vice Chair Republican Party, Garland, Maine . Chairman and members of this committee. This bill OUT NOT TO PASS. This has been listed on the Legislative Notices for Public Hearing, "This bill is a concept draft pursuant to Joint Rule 208". "This bill proposes to make changes to the laws governing elections." There is no sufficient instructions, information or data and no written notice of inadequate information in this proposed bill. The "Laws Governing Elections" have served the people of Maine adequately, but the Democrat party is trying to underhandedly destroy the process of a fair and respected process of elections. This Bill "OUT NOT TO PASS"!!!! Thank you for the opportunity to express my concerns on the attempt of the Democrats destruction of our election process. If it does not suit them, they will try to cheat. Linda Haskell Vice Chair Republican Party, Garland, Maine
