LD 227

I pray the blood of Jesus over this committee. May hearts be stirred to a renewed compassion for God's precious and innocent children. If this bill, LD277, is allowed to pass, I pray that God's justice will be done, and swiftly. This is nothing more than state sanctioned kidnapping and trafficking. I am embarrassed to admit that I am a resident of Maine because of the kind of people who are making decisions. Jesus tells me to pray for all of those who have been placed in authority. I am praying for you all, that you seek Him, repent of your sinful ways, in Jesus name ☐
