I am a physician and mother to 2 young children living in Portland, ME. I strongly support investments into our mental health system, the need is so vast and currently we are able to meet the mental health needs of Mainers.

Our shared goal as parents, physicians and legislature is to keep Mainers safe and healthy, I strongly believe changes to Maine's gun safety legislation will help accomplish this.

Thank you for all you do for the state of Maine.

Emily Zarookian, MD
