For you created my inmost being; you knit me together in my mother's womb.

14 I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well.

15 My frame was not hidden from you when I was made in the secret place, when I was woven together in the depths of the earth.

16 Your eyes saw my unformed body; all the days ordained for me were written in your book before one of them came to be.

17 How precious to me are your thoughts, God! How vast is the sum of them!

18 Were I to count them, they would outnumber the grains of sand— when I awake, I am still with you.

Psalm 139

First of all abortion is wrong. a human is a human at conception so not only should we not be allowing abortions. Maine should not become a Sanctuary State for children and teenagers trying to untether parental authority.

This is the word of God and its the truth. Each of us will stand before our God and be held accountable. I implore you not to pass this bill. It is wrong to strip parents of their God given rights. Children do not have the executive reasoning and judgment to make these kinds of life altering decisions. If Maine turns away from the Righteous path, it will not go well for our state.
