LD 2238

Senator Carney, Representative Moonen, and honorable members of the Joint Standing

Committee on Judiciary, my name is Cory Reynolds . I live in Dexter, Maine and I am writing in opposition to LD 2238, An Act to Address Gun Violence in Maine by Requiring a Waiting Period for Certain Firearm Purchases.

We Need to smarten up there is no gun violence problem in Maine or America. yes what happened in Lewiston is sad. We need to worry about mental health issues, doing better background checks on people who should not have a gun. We shouldn't be destroying it all for maine hunters and people who should be able to have a gun to protect themselves.

LD 60, An Act to Require a 72-hour Waiting Period After the Sale of a Firearm, was voted down in 2023, but here we are again. This bill does nothing but infringe on the Constitutional rights of Mainers and does nothing to address the issues surrounding the recent tragedy in Lewiston. you want to do something about it stop playing games and fix the broken mental health system in our state that is failing.

I urge this committee to vote "Ought Not To Pass" on LD 2238.

Thank You,  
Republican Cory Reynolds
