

Barbara Douglass  
Brunswick  
LD 2086

Dear Senator Carney and distinguished members of the Judiciary Committee:  
My name is Barbara Douglass and I live in Brunswick. I am asking for you to support LD2086. Bump stocks are killing machines, as the 2017 Las Vegas slaughter of 60 people demonstrated. The people of Maine need to be kept safe from this horror.  
Thank you for your attention.  
Sincerely,  
Barbara Douglass
