Dear Senator Bailey, Representative Perry, and Members of the Health Coverage Insurance and Financial Services Committee, I'm Amy Matthews, I live in Freeport, and I urge you to vote Ought to Pass on LD 227.

I work with infants and their caregivers, and have witnessed hundreds of babies in their developmental process. The most important thing we can offer any human being is the support to make their own choices about how they express themselves and care for their own bodies. Everyone should be able to get the medical care they need in Maine. Reproductive health care and gender-affirming care is life-saving medical care. With increasing attacks on reproductive and gender-affirming care across the country, Maine lawmakers must act to protect health care providers and access to care that is legal in Maine.

Please vote Ought to Pass on LD 227. Thank you.
