

Michael Roy
Bradford
LD 227

Senator Bailey, representative Perry and members of the legislative health Care, insurance and financial services committee,

I am Michael Roy I live in Bradford Maine, and I am here to testify strongly against ld 227, I'm at regarding healthcare in the state. I am strongly against this measure as most manners who are working from paycheck to paycheck cannot afford tax rates that will rise to accommodate these illegal aliens do you want to bring to our state. You have not vetted them you don't know who they are, you could be bringing terrorists into this state. This is unacceptable. I simply want to go on record as being against it.
