Alfred, ME
LD 2086

I am a constituent in Alfred ME, and I urge you to OPPOSE this Act to Amend the Law Governing the Disposition of Forfeited Firearms. As a woman who has had a lifelong commitment to supporting the Constitution and its Amendments, LD 2086 flies in the face of the 2nd Amendment Right to Keep and Bear Arms. There is no logical reason to destroy and eliminate firearms whatsoever. Please OPPOSE this unlawful LD 2086 bill.
