

Jill Folsom
Alfred, ME
LD 2119

I am a constituent in Alfred ME, and I urge you to OPPOSE this Act to Support Suicide Prevention by Allowing Voluntary Waiver of Firearm Rights. As a woman who has had a lifelong commitment to supporting the Constitution and its Amendments, LD 2119 flies in the face of the 2nd Amendment Right to Keep and Bear Arms. There is no logical or factual reason whatsoever to pass a bill that cannot serve its intended purpose but will infringe on the 2nd Amendment by assuming one can voluntarily abrogate one's rights under the Constitution. Please OPPOSE this unlawful LD 2119 bill.
