LD 2119

Good morning, Senator Carney, Rep. Moonen, and members of the Judiciary Committee. My name is Janice Vance and I live in Kennebunk. I would like to thank Representative Doudera for bringing this bill forward, which, frankly, is a “no brainer.” Approximately 90 per cent of suicides in Maine are accomplished using a gun. By allowing responsible gun owners and potential firearm purchasers the ability to voluntarily give up those rights temporarily, it may allow those people to protect themselves until the crisis passes. Please vote this bill as “ought to pass.” Thank you for your time.
