LD 2238

To whom it may concern:

I'm writing to fervently oppose LD 2238. This bill would strip protections from women who are at risk of great bodily harm or death from an abuser or stalker. A victim of domestic violence should not have to wait three days to be able to defend themselves against their abuser. LD 2238 is a bad idea that will result in the grave bodily injury and death of countless Maine women. Most mass shootings are planned out well in advance and this bill won't do a thing to prevent them.

Thank you for your time.
