LD 227

Madame Chair and Members of this esteemed Committee,

Thank you for giving me an opportunity to present my case against LD227, An Act Regarding Health Care in the State".

As a lifelong resident of Maine, a daughter, sister to many, wife, mother, grandmother and former RN for 43 years, I can honestly say Maine is a special place.

PLEASE STOP LD227 FROM GOING FORWARD

Today you have the opportunity and responsibility to preserve life for the State of Maine. If Maine becomes a sanctuary state where minors without parental consent can obtain abortions up to 9 months, and minors are allowed to get transgender medications and surgeries from any other state, you will see endless lives without hope.

Thank you for your time and reconsideration.

Sincerely searching for Truth,

Jean
