Senator Carney, Representative Moonen, members of the Judiciary Committee, my name is Gregory Hunnewell from Belgrade Maine.

I am testifying today in opposition to LD 2238, In my eyes it is an obvious attempt to put the gun shows, and small gun shops out of business in the State of Maine, and to delay a person from taking possession of a Legally Purchased firearm. There is no data to support the fact that this type of law works to prevent gun violence. If a person is in a situation where they need the firearm for immediate personal protection this delay could be disastrous. There is no good reason to do this, therefore I ask that you all vote ought not to pass on LD 2238.
