

Jessica Hersey  
Durham  
LD 2238

My name is Jessica Hersey.

I am resident the town of Durham, Maine.

I want to provide testimony on LD 2238 An Act to Address Gun Violence in Maine by Requiring a Waiting Period for Certain Firearm Purchases.

I am testifying against the LD 2238 bill.

In the Lewiston shootings, it is a fact that Police responded in 90 seconds, to the 911 calls, from Schmegges Bar & Grill. I am a mother, I have daughters. Women deserve the right to purchase a way to defend themselves and their families, without a waiting period of any kind. Adding more gun laws is only false security for the public, and strips legal Americans of their constitutional rights to purchase & own firearms for their own personal safety. I stress and beg that Maine's Mental Health System repairs remain independent of any gun law. Thank you.
