Members of the Judiciary Committee,

Be gun-safety heroes for our children and vote YES on LD 2224, to improve Maine's firearms laws and mental health systems, and LD 2238, 72 hour waiting periods.

Since 2020, firearms have been the leading cause of death for children in the United States.

You have the chance to alter that statistic by voting YES for common sense gun laws. Please stand up for our children. Vote YES on LD 2224 and LD 2238.
