I oppose LD 60 - An Act to Require a 72-hour Waiting Period After the Sale of a Firearm. Second Amendment Right to Bear Arms,

A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed.

The amendments are a part of the constitution. The second amendment means that no one, including the Federal Government, can infringe, or interfere, with the second amendment right of U S citizens to bear arms.
