LD 2283

I strongly OPPOSE LD 2283. I firmly stand against any law that would remove due process from a citizen. I am sick of hearing about shootings as anyone else, but stripping rights from otherwise law abiding citizens is not the solution any more than confiscating cars to stop drunk drivers. Far more needs to be done in the field of mental health than trying to infringe on constitutionally protected rights, and the removal of due process through unseen, back room testimonies are not going to solve anything.
