This bill is probably unsensational and if passed will be challenged in court which will cost the taxpayers who will have to fund it.. So our money will be spent on a bill most Mainers don't support.

This is an outright Democrat, move to control the rights Maine has enjoyed This is being pushed by the White House , and this bill only seeks to gain control of our state and make us into Massachusetts. New York and California.

To use the tragedy of Lewiston as an excuse to disarm law-abiding Mainers and infringe on their 2 amendment rights. We all know that what happened in Lewiston was a case of mental illness, and a failure of the government
