LD 2283

As a fellow Mainer, I urge you please OPPOSE LD 2283 in your committee hearing on April 5th.

LD 2283 seeks to expand Maine's current Yellow Flag law to Red Flag "Extreme Risk Protection Order" laws. These laws strip citizens of their Second Amendment rights without due process based on weak and nebulous standards. If passed, Maine's Red Flag law could strip Mainers of their Constitutional rights without a hearing based on hearsay for up to 30 days. It does not include any penalties for erroneous accusations, allowing for an open season against gun owners in Maine.

Again, I request that you OPPOSE LD 2283. Thank you for all that you do for our state.
