

Donald Coston  
Richmond  
LD 2283

Hello, my name is Donald Coston I live in Richmond Maine. I am apposed to LD 2283 because red flag laws are blatantly unconstitutional. Not only do they violate the 2nd Ammendment, the right of the people to keep and bear arms shall not be infringed. They violate the 4th Ammendment, unreasonable search and seizures. They violate the 5th Ammendment, being deprived of property without due process of law. They violate the 6th Ammendment, to be confronted with the witnesses against him and to have the assistance of counsel for his defense.
