

Michael Wilson
Brunswick, ME
LD 2283

Dear Senator Carney and Distinguished Members of the Judiciary Committee.
I am writing to urge you to support LD2283, which creates a true extreme risk protection order. My name is Michael Wilson and I live in Brunswick. As you know, this approach has been legislated in over 20 other states and has been shown to be effective in reducing suicides and other forms of gun violence. Thank you for considering this request.
