

Jessica Hersey
Durham
LD 2283

My name is Jessica Hersey. I am a resident of Durham Maine. I am submitting testimony NAY, or against, LD 2283 An Act to Enact the Crisis Intervention Order Act to Protect the Safety of the Public.

Again, my testimony is against. Without due process is anti-American. Communist and Socialist societies lack due process. According to the definition found, both in our United States of America Constitution and on www.congress.gov the second amendment of the Constitution states "...the right of the people to keep and bear Arms, shall not be infringed." Why do you feel you can take away a Constitutional right from a law abiding, legal, citizen? You should be standing up for your rights, my rights, and every other law abiding Maine resident...To Keep their, and your, constitutional right. If you allow a red flag law against guns, you are paving the way to stripping the rights of EVERY other constitutionally protected right. This will set precedent for red flag laws against freedom of speech, red flag laws for the right to own property, red flag laws against the right to vote...in other words if you are FOR red flag laws of any kind, you are voting for a communist future. Stop and think. You took an oath to uphold the US Constitution. Simply do so.
