

Thomas Dentremon  
Westbrook  
LD 2283

I urge the committee to vote "ought to pass" on LD 2283. (I THOUGHT it was LD 2268?) As a Maine native, I am all in favor pf people being able to own rifles and shotguns to hunt and handguns to protect their homes. However, the Lewiston Incident shows we need stronger measures to take weapons away from people in a mental health crisis to keep them from harming themselves or others.
