I OPPOSE this gun control. ITS A KNEE JERK WISH FULL thinking by people that dont understand that no amount of gun control wont stop ILL people from doing bad things. THERES no problems and no threat to the public. The math shows it. YOUR 0.0001% LIKELY TO BE HURT WITH A FIREARM out in public..its the fbi,s satistics. THE SAME AS BEING EATEN BY A ESCAPED TIGER FROM THE ZOO.
