Maine Summer Camps
LD 2283

Dear Judiciary Committee Members,

I am writing on behalf of the members of Maine Summer Camps, an organization that represents over 100 day and residential camps in Maine. Collectively we welcome thousands of campers, and their families, to Maine each summer for community and time in nature. Their continued safety while they are at camp is our number one priority.

It is for this reason that we fully support bill (LD 2283) and urge the committee to vote "Ought to Pass."

Thank you,
Kathy Jonas
