I do not support LD 51, "An Act to Increase Oversight of Fatalities of and Serious Injuries to Adults subject to public guardianship."

Ensuring the rights to Life, Liberty, and the Pursuit of happiness is a fundamental right guaranteed by the constitution of the United States of America. The very public guardianship abuse suffered by Ms. Britney Jean Spears of Kentwood Louisiana, highlights how states nefarious actors colluded to strip Britney of her constitutional rights.

In the event that this could occur in the Great State of Maine, a robust Oversight procedure is a must.

I do not support LD51, "An Act To Increase Oversight of Fatalities of and Serious Injuries to Adults Subject to Public Gaurdianship," because I believe it makes the investigation process less transparent if misconduct is found to have occurred and it ought not pass.
