

I am writing in opposition to LD 349 - An Act to Repeal the Laws That Allow Same-day Voter Registration.

This proposed legislation would only serve to create a barrier to voting in Maine. It is a fix to a problem that does not exist. According to the Heritage Foundation's election fraud database, there have been a total of two (2) instances of voter fraud in Maine elections between 1982 and 2024 (<https://electionfraud.heritage.org/search?state=me>).

According to the National Council of State Legislatures, 23 states and the District Of Columbia have same-day voter registration. Of those, Maine has the one of the lowest incidences of voter fraud, along with Montana, which also has 2 in that same time period. (The lowest is Vermont with zero.)

LD 349 is unnecessary, and would serve only to restrict voting. We need to increase voter participation, not discourage it. Please vote NO on LD 349.

Respectfully submitted,
