LD 349

Members of the Veterans and Legal Affairs Committee: I am writing to you about LD349, An Act to Repeal the Laws That Allow Same-Day Voter Registration. I am asking you to vote that this bill OUGHT TO PASS. There are a lot of people taking advantage that they are truly eligible voters. This is not a good way to insure safe and legitimate elections. We should be wary of someone who has had months and months to register, perhaps years, and never bothered until the day of the election. Given all that time, and nothing was done, would seem to indicate they don't care. So, why now? I think this has been a bad idea that needs to go. Please vote OUGHT TO PAS on LD349. Thank you!
