

Kirstie Ludwig
30 Mile River Watershed Assoc
LD 171

My name is Kirstie Ludwig and I live in Fayette, Me. I am a board member of 30 Mile River Watershed Assoc representing Fayette. Our organization is dedicated to the keeping our lakes, ponds, and streams clean and healthy for generations to come. We currently have 2 lakes in our watershed that have invasives present and it is most likely not going to be contained. It is heartbreaking to see once beautiful clean and healthy ponds overtaken so quickly and dramatically by invasive plant infestations. Please support bill LD171 and continue to support Maine's greatest resources. Thank you for all you do, Kirstie Ludwig
