LD 349

Good morning, I am writing in opposition to LD 349 - An Act to Repeal the Laws That Allow Same-day Voter Registration.

This proposed legislation is a solution to a non-existent problem. It would only create an unnecessary barrier to voting in Maine.

According to the Heritage Foundation's election fraud database, between 1982 and 2024 there have been a total of TWO (2) instances of voter fraud in Maine elections (<https://electionfraud.heritage.org/search?state=me>).

We need to increase voter participation, not discourage it. Please vote NO on LD 349.
