LD 296

Please vote OUGHT NOT TO PASS on LD296. We do not need to spend \$2M on water quality in Maine! We have some of the best quality water in the country and we need to spend our hard-earned tax dollars on much more necessary issues like job security, lowering taxes (not raising them), illegals costing us Millions, our fishing industry, our tourism industry, our roads and infrastructure, etc, etc. This must be put in by a person who will make money off from water testing. It is unnecessary and a waste of money!! Please vote NO! Thank you!
