LD 317

Please vote OUGHT NOT TO PASS on LD317; An Act to Enact the Safe Cosmetics Act. This is nothing more than a way to charge more and get less. This happens over and over again. Someone using something in a wrong way and has something bad happen because they didn't pay attention and SUDDENLY it is ALL UP TO US TO PAY THE PRICE! Cosmetics, by definition, are a foreign entity to our body and should be used accordingly and properly. No amount of government regulation is going to cure misuse. Please do not make us all pay for someone else's poor planning/actions. Vote no on LD317. Thank you!
