I urge you to vote OUGHT TO PASS ON LD291: An Act to Eliminate the Lodging Tax on Campground Sites and Revert to Using Current Sales Tax. I think that the current rate of sales tax in Maine should be enough to charge for taxes at camping grounds. We need to encourage people to use these places for their vacations with their families and their families to come. Camping should be enjoyed for generations. Maine is a great place to camp. We should make it more affordable to families. The current rate is 9%, 5.5% is much better. Thank you for voting OUGHT TO PASS.
