Dear Chair Bailey, Chair Mathieson, and distinguished members of the Joint Standing Committee on Health Coverage, Insurance and Financial Services:

We are submitting this letter to express our support for the amendment proposed by Representative Zager to LD 107, An Act to Require Health Insurance Coverage for Biomarker Testing. As you may recall, we testified neither for nor against LD 107 and expressed our desire to work toward amendments to address some concerns with the language of the bill as originally drafted.

We thank Representative Zager for his willingness to consider the concerns expressed and for his proposed amendments, which we fully support.

Thank you for the opportunity to provide additional testimony on LD 107.

Sincerely,
